

## Leadership Cheyenne 2016-2017 Project

The 2017 Leadership Cheyenne graduates have chosen to build “Welcome to Cheyenne” wayfinding signs for their final project. We are proud of the long-lasting relationships between Cheyenne, F.E. Warren Air Force Base, and the Wyoming National Guard and chose a community beautification project reflective of our 150 year partnership. The signage will welcome visitors, newcomers, and commuters to Cheyenne - home of the Twentieth Air Force, Mighty Ninety Missile Wing, and Wyoming National Guard - and showcase our community commitment to the nation’s military. The signs will be located throughout the community, with special attention to high traffic areas such as Vandehei & Yellowstone and I-80 & College Drive.

## Build With Us!

Both the City of Cheyenne and the Military Affairs Committee have collaborated with Leadership Cheyenne on the signage design and placement. Please consider supporting this project through monetary sponsorships, donating a silent auction item, or attending the annual Boo-tification Ball, Saturday, October 28<sup>th</sup>.

*Stumped for an auction item?* Consider supporting your favorite Cheyenne small business and purchase an item or gift card. What a great way to double down your pride in our community!

Please contact Rachael Svoboda, at 307-773-7200 or [RSvoboda@LCLSonline.org](mailto:RSvoboda@LCLSonline.org), for any inquiries related to available sponsorships or to donate an auction item. Thank you!
